Minutes
1. Introduction 1.1. TB welcomed everyone and thanked attendees for joining. There were quick introductions from the members of the project team.
2. Minutes / Actions 2.1 GS went through the presentation slides and explained the soft-strips currently taking place on site. 2.2 An attendee asked if the steel frame will be on the ground floor. GS explained that it extends from the ground floor to the first floor. GS also mentioned that an acoustic screening has been introduced that will mitigate noise and ensure that there will be a reduction in the decibels. 2.3 An attendee asked whether lorries could go through the tunnel. GS confirmed that the tunnel has been designed for vehicles to be able to go through it. 2.4 An attendee asked if the closure of the lane on Grosvenor Gardens will be permanent. GS explained that it will be a temporary close only while installing the scaffold. 2.5 There were no further questions and the team thanked attendees for their time. A copy of the presentation slides will also be circulated to attendees following the meeting.
