Welcome to the latest issue of our regular community newsletter, designed to keep you up to date with what is happening behind the hoardings at 8 Eaton Lane (Grosvenor Gardens House).

Project Update

During the months of August & September works have progressed with the RC frame topping out. Eaton Lane façade is now ongoing with SFS and windows currently being installed. In the coming month brickwork will commence on Eaton Lane.

With the completion of the RC frame we have also commenced demolition of the existing roof structure, retaining areas of the structure to reconnect once the new steel frame is installed. Next month the steel frame to the roof will commence.

Internally we have continued with structural alterations, floor restoration and fire protection to existing ceilings across the existing building ready ahead of fit out works commencing.

Moving into the basement mechanical and electrical works have commenced the basement 2 and works will then progress up the building, installing drainage and both mechanical and electrical infrastructure.

On site we have recently taken part in world clean up day where members of both Ardmore and our supply chain spent the day picking litter within the local area. With the winter months coming we will be doing a clothing collection for the homeless.

Community

We are keen to maintain good relations with our neighbours and further newsletters will be issued throughout the duration of the project to keep you informed of the latest updates.

We will also be hosting regular virtual community liaison meetings which will act as an opportunity for the local community to discuss any queries relating to the works with the project team.

The next virtual community liaison meeting will take place on: Wednesday 3rd July @ 17:30

If you would like to attend this meeting, please get in touch at:

- 8EatonLane@kandaconsulting.co.uk

We will provide you with more details, including a secure link to meet members of the team.

The virtual community liaison meetings will be organised monthly and further dates and times will be included in future newsletters.

CONSTRUCTION MILESTONES

To help you understand the site, a programme of works is shown on the Image above.

- **Q4 2021**
  Enabling Works Began
- **Q2 2022**
  Acoustic tunnel and screen complete
- **Q1 2023**
  Reconstruction works begin
- **2025**
  Works Complete

APPROVED WORKING HOURS

Monday – Friday: 8am to 6pm
Saturday: 8am to 1pm

Note: this applies to non-noise restricted work only

ABOUT ARDMORE & LOCAL EMPLOYMENT OPPORTUNITIES

We are an established family owned and operated D&B Main Contractor founded in 1974.

We specialise in unlocking large scale complex projects in London, by taking a traditional, hands-on approach to construction that puts us at the heart of the action.

Ensuring our staff are the best at what they do is an essential part of our business.

We look for the potential in everyone, we are great at identifying talent and encouraging opportunities.

During construction, we will be engaging with local schools and colleges to offer apprenticeships and training for people within the area looking to work in the construction industry.

For more information, please contact Eillish Kwai: ekwai@ardmoregroup.co.uk

CONSIDERATE CONSTRUCTORS SCHEME

CONTRACTOR AND SUPPLIER PARTNER
CONSIDERATE CONSTRUCTORS SCHEME

We are enormously proud to be partner members of the Considerate Constructors Scheme. The Considerate Constructors Scheme is a non-profitmaking, independent organisation founded in 1997 by the construction industry to improve its image.

The aim of the scheme is to help improve the image of the construction industry and provide advice and support to contractors and members of the public to help resolve complaints. The Scheme has designated staff trained to deal with any type of complaint.

If you have any concerns about any site or company registered with the Scheme, you can email them at: **complaints@ccscheme.org.uk** or call **0800 783 1423**.
